

## Lake Geneva Country Meats Giving Guidelines and Policies

Lake Geneva Country Meats is dedicated to making a significant and positive impact on the Lake Geneva community. Our mission is to provide essential life necessities to our immediate community and to enrich the area's educational and cultural opportunities, thereby fostering a stronger and more vibrant community.

We prioritize programs and organizations that:

- Provide food for those who need food.
- Provide healthcare for those who do not have access to healthcare.
- Educate the next generation of agricultural and food industry workers.
- Grow the cultural well-being of the greater Lake Geneva community.

Our efforts are focused on Walworth County and the communities immediately surrounding our shop's location.

Each year, we are approached by hundreds of organizations and causes seeking our assistance. Unfortunately, no matter how worthy the cause, we must stay within our funding guidelines and have implemented a policy of not accepting unsolicited donation requests.

This is not a reflection on the important work done by so many causes or an unwillingness to help, only our desire to ensure that our limited donation dollars stretch the furthest possible amount. Our charitable giving team seeks out organizations that fit with our philanthropic goals and find ways to partner to see our gifts exponentially grow. We have found great joy and success in this approach.

We are pleased to offer a wholesale discount to qualified organizations that wish to purchase our products for a fundraising event. To request this discount, please email [lgcmdonations@lakegenevacountrymeats.com](mailto:lgcmdonations@lakegenevacountrymeats.com) at least two weeks prior to your event with details about your organization, the event, and the products you wish to purchase. If your event aligns with our guidelines, we will respond with pricing and details on how you can proceed with your order.

As we are not currently accepting proposals for monetary support or product donations, any unsolicited requests for support beyond discounts, as explained in the above paragraph, are not guaranteed a response. Thank you for your understanding.
